Cruise Your Way to More Benefits

This new tiered loyalty program from NCL is structured to give more and more benefits to Latitudes members who cruise again and again. So what are you waiting for? Start adding to your number of completed cruises with NCL. You'll enjoy more treats, more services and more perks when you cruise your way through the various levels of membership.

Do my previous cruises count towards the new program?

The Latitudes loyalty program has been in existence since 1995, and just like any other NCL guest, you were enrolled automatically as soon as you completed your first cruise after the program launched.

All of the cruises you've taken with NCL since you were enrolled in the Latitudes program count towards your membership level, and every cruise you take from this time forward will add to that status.

Who can you call with questions about membership?

Our NCL Personal Cruise Consultants are standing by to assist you from 8am to

10:30pm EST Monday through Friday, and from 9am to 9pm EST on Saturday and Sunday. Simply call **1-800-343-0098** or **305-436-4872** or visit us online at www.ncl.com.
