HONOLULU HOTELS

Crowned in the distance by the glittering Diamond Head Crater, Honolulu is a jewel on the shores of the Pacific. This sophisticated capital of Hawaii is a medley of graceful old buildings from the early merchant days, glass and concrete towers and staid government buildings. Greenery weaves throughout the historic structures, creating views that sweep from the top of Punchbowl Crater down to the harbor. Here, you'll find an exciting night scene with world-class dining, Broadway plays, Japanese Noh Theater, hula dancing and ballet. Along the shoreline is Waikiki Beach, which lures visitors from around the world with its 450 acres of vacation paradise.

There's a new center of excitement in Waikiki. The Waikiki Beach Marriott Resort & Spa, directly across the street from the most vibrant stretch of this legendary beach. Where fabulous dining, incredible sunsets and the beautiful new oceanview spa are just the beginning.
